

Indipendent house for Sale to Massarosa

Area: Montigiano

80 square meters | Bathrooms: 1 | Bedrooms: 2 | Rooms: 3

Rustic townhouse for sale in Montigiano.

The house is spread over three levels. On the ground floor from the common courtyard you enter directly into the open space room, in which on one side we find the fireplace and on the other the open built kitchen.

We go up the stairs: the first floor offers a windowed bathroom with shower and a double bedroom.

On the upper floor we find a large anteroom and the second double bedroom.

The attic can be easily reached from the open staircase and is very useful as a large storage room, completing the spaces of the house. The property is in good condition but needs to be refreshed.

Adjacent to the common courtyard, a plot of approximately 700 m2, partly flat and partly terraced, ideal for a vegetable garden, with a view of the sea makes this housing solution even more inviting.

The property includes 2000 m2 of woodland and an assigned parking space.

From the common courtyard you can admire a splendid panorama of the sea framed by the hills.
