

Indipendent house for Sale to Massarosa Area: Stiava

200 square meters | Bathrooms: 2 | Bedrooms: 3 | Rooms: 8

Detached house with garden and olive grove in Stiava, Massarosa.

An ideal solution for those who love large spaces indoors and outdoors, this beautiful villa offers 4500 square meters of land.

Interesting for those who want to live in a quiet but adjacent and convenient place to the town, 6 km from the sea.

Agenzia Leonardo offers for sale a villa on two levels with courtyard, garden, land, vegetable garden and steep olive grove.

A courtyard to park cars welcomes us in front of the first entrance to the house.

The ground floor consists of an entrance hallway that connects the two main rooms of the living area completed by a large dining room with fireplace and open kitchen where the second entrance is located. Leaving the kitchen we find the first part of the garden partly paved and all flat where it is possible to eat outside under the comfortable veranda. Behind it is a large room where the laundry area and all the gardening equipment are currently used.

Going upstairs from the internal stairs we go to the sleeping area developed with a large corridor which leads to the three double bedrooms and the bathroom with window and bathtub. The panoramic side of the house is accompanied by the terrace.

Continuing beyond the garden, the hilly area of 4500 square meters dedicated to the vegetable garden and the olive grove complete the property.
