**180 square meters | Bathrooms: 2 | Bedrooms: 3 | Rooms: 8**

Villa with large garden in Corsanico

For those looking for a spacious, customizable, completely independent solution with a large flat garden, we offer for sale a villa on two levels.

The main house is located on the upper floor and is arranged as follows: from the hallway of the entrance one reaches the kitchen with a large habitable fireplace on one side, which leads to the lower floor; on the other hand there is the large room with a large terrace and the sleeping area which offers two large bedrooms and a bathroom with window and bathtub.

On the lower floor, above ground, is the tavern which effectively represents a second apartment with an open living room and kitchen, bedroom and bathroom with windowed showers, in addition to the hallway that connects the stairs to the main apartment and the double garage. .

The property needs renovations.

A large garden of about 1300 sq m on all four sides of the house adds great value to the property.
