

Indipendent house for Sale to Massarosa Area: Colline

290 square meters | Bathrooms: 4 | Bedrooms: 5 | Rooms: 9

Sea view villa with swimming pool

"The windows on the sea": we are presenting for sale a spectacular newly built villa with a 2.90 m deep swimming pool and a spectacular view of the Versilia sea.

In a private area of property that extends over 17,000 square meters of hilly land with a large flat garden around it, a qualitatively well-kept house with spaces to breathe develops. Each room opens onto the view towards the sea and offers a play of windows that enhance the rooms.

On the ground floor there is the entrance, the living room, a bathroom with shower, a study and the kitchen which, like the living room, directly overlooks the side of the garden where the swimming pool is located.

The first floor consists of two double bedrooms, a single bedroom, a bathroom with shower and one with Jacuzzi.

The upper floor instead welcomes us with a double bedroom, a bathroom with shower, the veranda with windows overlooking the breathtaking coast and the covered terrace where you can spend pleasant moments of relaxation in the hottest hours of summer.
