Large detached house near the Viareggio pine forest.

In the Marco Polo district, a few steps from the Pineta di Ponente, this property is unique in terms of size and style.

The house for sale in Viareggio is divided into two apartments, one on the ground floor and one on the first floor with attic but which can be brought back to a single Villa.

Leaving the door at the end of the corridor leads to the back where a second courtyard leads to the annex which could be used if necessary as a third bedroom in a suite.

The first floor apartment has an independent entrance through a private courtyard which houses a parking space as well as a garage with storage room. On the ground floor there is a large room where the stairs leading to the first floor and the attic are located. On the first floor there is an elegant living room overlooking the semi-perimeter balcony, hallway, kitchen, large bathroom, two double bedrooms, one of which is now used as a relaxation area.

From the living room you continue to climb the stairs to access the attic room where we find an attic room, bathroom, bedroom, study, another attic room.

Above the garage there is a sun terrace with access via a spiral staircase.

High ceilings and large windows give brightness and importance to the house.
