

Indipendent house for Sale to Massarosa Area: Massarosa

310 square meters | Bathrooms: 1 | Bedrooms: 4 | Rooms: 9

Detached house with courtyard and garage in Massarosa

We have for sale a free house on three sides in a central position in Massarosa, ideal for those who need large spaces even for a B&B

The property is spread over three levels and has a larger ground floor than the upper ones, here we find the first entrance which leads to the stairs and to the hall connected to the spacious kitchen and then to the garage. From the garage you go up to an attic room also useful as a storage room and to the veranda with access, like the kitchen, to the private courtyard. The courtyard has two cellars.

We go up to the mezzanine floor where a hallway opens up access to a beautiful room with fireplace and to the bathroom with a storage compartment;

The first floor has two bedrooms large enough to be doubles even if you want to add its own private bathroom to each;

the second floor mirrors the first with two other equally large bedrooms.
