

Indipendent house for Sale to Massarosa Area: Massarosa

120 square meters | Bathrooms: 1 | Bedrooms: 3 | Rooms: 5

Detached rustic house with garden and annex

##NOVELTY'##

We have for sale a delightful independent village house free on three sides with garden, courtyard and annex, in a central and strategic position.

The main house is on two levels and from the entrance there is on one side the spacious living room which leads to the bathroom, on the other side the kitchen: a very large and welcoming room with a fireplace from which the French window on the back leads to the courtyard which offers a private and pleasant area also ideal for outdoor dining. From here you reach the annex currently used as a laundry and warehouse, to be renovated and which could be used as an extension to the house as it is attached to it.

Let's go back inside, go up to the first floor and find two bedrooms, a double bedroom and a wardrobe space, as well as the mezzanine above the stairwell currently used as a study.

Preparation for the second bathroom

The outdoor space extends over three sides of the property and has a driveway entrance for access with two cars.
