

Indipendent house for Sale to Camaiore Area: Collina

90 square meters | Bathrooms: 1 | Bedrooms: 2 | Rooms: 5

Single house with garden

Two km from the center of Camaiore, we have for sale an interesting independent solution ideal for those looking for a home on a single floor with outdoor space and brightness.

The driveway entrance that leads to the large courtyard equipped with a wood-burning oven with a porch set up as a summer kitchen precedes the large porch ideal as a winter garden. From here you enter the apartment which is currently divided into a kitchen, living room, double bedroom, bathroom with window and tub, a second bedroom which leads to the last room which leads to the cellar and with French windows which exit again onto the porch.

The attic useful as a large storage room, an external laundry bathroom and the raised garden at the back of the house complete the property which needs to be modernized but well maintained.
