

Indipendent house for Sale to Pietrasanta Area: Marina di Pietrasanta

180 square meters | Bathrooms: 3 | Bedrooms: 5 | Rooms: 6

Villa with large garden for sale as BARE OWNERSHIP in Marina di Pietrasanta.

We offer for sale this unique and elegant villa, located in a residential area of Marina di Pietrasanta, 1.5 kilometers from the Versilia beaches.

Surrounded by a well-kept and green garden on all four sides, the villa welcomes us with convenient driveway access.

On the ground floor we enter the bright double living room with fireplace, we continue towards the eat-in and well-ventilated kitchen. Furthermore, the living space is doubled with a veranda living room.

The living area is flooded with light from the many windows and accesses to the garden that the property offers, both from the living room and the kitchen.

Also on the floor we find two spacious double bedrooms, two bathrooms, one with a bathtub and one with a shower and two closets.

On the attic floor there are three more bedrooms: one double and two singles as well as a third bathroom.

In the garden there is a well-kept outbuilding with living area, bedroom and bathroom as well as a storage area.

This villa represents the spaces and care of a Versilian home accompanied by modern touches such as solar panels, double glazing and alarm,

to create the perfect home in the heart of Versilia.

Bare ownership is a form of real estate sale in which the owner sells a property, but retains for himself (or another person) the right of usufruct, that is, the possibility of living in it or renting it out for life.

Whoever purchases the bare ownership becomes the owner in all respects, but will be able to use or fully dispose of the property only when the usufruct ends (usually upon the death of the usufructuary).

It is an advantageous solution for those who want to invest in the long term and for those who, while wanting liquidity, want to continue living in their own home.
