

Indipendent house for Sale to Camaiore Area: Collina

300 square meters | Bathrooms: 2 | Bedrooms: 10 | Rooms: 14

Large and bright terraced house free on three sides

We have for sale a village house TO BE RENOVATED, in the locality of Nocchi.

The property requires complete renovation and is spread over four levels.

The large size makes it ideal for a large family or for those who want to have space available for guests, a tourist-accommodation business, or to be divided into several spacious apartments. The current state of the home allows you to customize it according to your tastes and needs.

The multi-storey position guarantees a good division of spaces, greater privacy and greater brightness.

On the ground floor the entrance opens directly onto the hall which leads to two large rooms and a bathroom. The hallway leads to the stairs. On the first floor we find the large eat-in kitchen, the living room, a large bedroom or lounge, a large room with a wood-burning oven and fireplace. The second floor offers four spacious bedrooms and a bathroom and on the top level three more bedrooms await us.

Despite its semi-hilly location, the property is easily accessible and strategically located between the hills and the sea.
