VIAREGGIO □ SEASIDE PROMENADE

PRESTIGIOUS APARTMENT WITH FRONT SEA VIEW

In the splendid setting of the Viareggio seafont, just steps from the famous pine forest and all the main amenities, Agenzia Leonardo offers for sale a truly prestigious apartment, unique in its location, size, and architectural features.

Located on the second floor of an elegant building with elevator access, the property occupies a prime corner of the building and enjoys an unparalleled panoramic view of the sea, which opens up on multiple sides thanks to its favorable exposure.

Main features:

- Surface area of 240 m², arranged entirely on a single level and divisible into two units
- Large living room with fireplace and frontal sea view
- Corner living room, also with direct sea view

- Separate dining area and additional living room
- Four bedrooms
- Double services
- Service veranda

The apartment features an elegant distribution of space, with a clear separation between the living area and the sleeping area, but it needs to be reorganized as a residential space.

Thanks to its size and layout, the property can be divided into two separate residential units, making it ideal as an investment.

The perfect solution for those seeking comfort, elegance, and a unique view, in one of Versilia's most sought-after locations.
