

Commercial Property for Sale to Massarosa Area: Massarosa

240 square meters | Bathrooms: 2 | Rooms: 7

Large ground floor warehouse convertible into multiple residential units with garden in Massarosa

We have for sale a very central space currently used as a warehouse and office with easy driveway access and a private garden in the center of Massarosa.

The spacious rooms on the ground floor of a larger building with only four residential units overlook three sides and currently consist of three large rooms, two bathrooms and a fourth bedroom.

The 3-meter ceiling height, the large number of windows on three sides, the various accesses and the large garden of almost 600 square meters, make it a great opportunity for an investment both as a commercial space and as a property to be transformed into up to four residential apartments.
