Prestigious Viareggio villa for sale in the center of Viareggio, 300 meters from the sea.

REF: ES594 - Just 300 meters from the sea, in the heart of Viareggio, Agenzia Immobiliare Leonardo offers an EXCLUSIVE offer on a refined detached VIAREGGINA villa, completely renovated in the early 2000s with quality materials and great attention to comfort. An elegant and welcoming home, combining the classic charm of Viareggio's homes with the modern pleasures of quality living. Internally, it is laid out as follows:

Ground Floor □ Elegance and Conviviality

The entrance welcomes you into a spacious living room, adorned with white marble floors and perfectly arranged open spaces. Further along, we arrive at the dining area and kitchen, designed for elegant everyday living, both offering access to the courtyard. A guest bathroom completes the living area.

The living area leads to a private, well-kept tiled courtyard, ideal for outdoor lunches and dinners or simply for relaxing in peace. Inside the courtyard there is an outbuilding currently consisting of two rooms used as a storage room, walk-in closet and laundry room, a rare plus for a home in the city center.

First Floor □ Comfort and style in the sleeping area

Going upstairs you reach the sleeping area, finished with fine parquet flooring that gives the rooms warmth and charm.

The provision includes:

- The master bedroom with private bathroom with Jacuzzi and walk-in closet,
- a second double bedroom
- a single room
- a third bathroom, serving the floor, with shower.

All the rooms are distributed along a comfortable corridor and are designed with attention to the smallest details, with custom-made furnishings.

Attic Floor Privacy and Versatility

On the top floor, an attic but very livable space, there is a fourth room currently used as a bedroom, complete with private bathroom: a perfect space for guests or as a private area.

Tavern The convivial soul of the house

The real added value is found in the basement, a uniquely elegant, completely renovated tavern that houses a large living room with a fireplace, a spacious kitchen with a second fireplace, and a functional storage room.
