The house is internally divided into two independent units, making it suitable for two families or as a secure investment for short-term and tourist rentals.

The rustic house with garden is laid out as follows:

On the ground floor, the main entrance opens onto a large living room, from which we access the eat-in kitchen of approximately 20 square meters on the left, featuring charming original details such as the fireplace.

The first floor houses the sleeping area, where we find two large double bedrooms, both with private bathrooms, and fantastic views of the greenery and surrounding hills, in an oasis of tranquility and privacy.

The second unit, directly connected to the main unit by a door, houses a second kitchen/living room on the ground floor and a large suite bedroom with master bathroom on the first floor.

The property is surrounded by a large private garden with a small pool nestled among the olive trees, ideal for relaxing outdoors or hosting lunches and dinners with friends and family, thanks to the gazebos, barbecue, and wood-fired oven.

The house is furnished with care and taste, with period furniture, which gives the rooms a warm and welcoming atmosphere.
