

Indipendent house for Sale to Barga

205 square meters | Rooms: 5

Rustic house with land

In a bright and panoramic hillside location, we have a rustic house for sale with land, an olive grove, and woods. The currently collapsible property is divided into two units: the main one on three levels with external access on each floor, the second consists of the annex with a room on the ground floor and the other on the first floor. Surrounded by its own hilly land, it is ideal for those seeking a place where they can personalize their spaces in a not too isolated location where tranquility reigns.
