Semi-detached house with garden

Strategically located between the sea and the hinterland, a stone's throw from Viareggio and Camaiore, we have for sale a semi-detached house divided horizontally into two apartments, one on the slightly raised ground floor and one on the first floor, both with completely independent access and a large enclosed garden with their own private driveway.
On the ground floor, the entrance overlooks the central corridor which leads to all the rooms of the house: living room, kitchen with French windows onto the garden, two double bedrooms and bathroom.
On the first floor, the entrance to the apartment is reached via an external staircase and is equally composed of a central corridor, living room, eat-in kitchen, two double bedrooms, bathroom and two terraces.

Ideal solution for those looking for two independent and close units.
