

Indipendent house for Sale to Massarosa Area: Piano di Mommio

175 square meters | Bathrooms: 2 | Bedrooms: 4 | Rooms: 7

Detached house with garden

Strategically located between the sea and the hills, we have a detached house for sale with a large garden.

The currently inhabited apartment is on the first floor and is accessible from the external staircase on the covered terrace that leads to the entrance, from here we find the open-plan living area, a single bedroom, two double bedrooms and two bathrooms.

The ground floor, with its own entrance, is currently unfinished and could be converted into a second three-room apartment.

The property is complemented by a generous garden of approximately 1200 m2 with fruit trees, with the possibility of adding up to two hectares of adjacent agricultural land.

In good condition and immediately habitable, this villa is suitable for those who love large internal and external spaces and for those looking for a solution with the possibility of creating two residential units.
